PARTY + STRUCTURE

Here is some more information about
how your party will run:

- We'll have some upbeat music to get the party started while you greet your guests.
- We'll then do a fun warm up to get everyone ready and raring for the party!
- We'll learn a super fun pop routine throughout the course of the party, learning in sections and breaking it up with lively games and funky freestyle.
- If you're having one of our parties that includes a break for food/cake then our party host can lead the "Happy Birthday" song and present the cake if you'd like them to. Get your singing voices ready!
- If you'd like to show off your newly learnt routine to the parents then please ask them to return 15 minutes before the end of the party.
- Before your guests get ready to go home we'll do a celebratory presentation of certificates to congratulate all your party attendees on their newly learnt skills!
- The birthday child will feel special throughout and guests are sure to be thoroughly entertained and leave on a high!

PARTY FAQ'S

1. Do we have to provide the venue?

Yes - You provide the venue and we provide the fun! We recommend checking availability with us before booking your venue to ensure we will have a party host available!

2. Can we host a Charlotte Reader Dance party at home?

No. Unless you have a very large clear open space then this will not be possible as we will need lots of space. A village hall is ideal. If you need help with venues please don't hesitate to ask.

3. Do parents need to stay during the party?

Parents are required to stay for our Lil Beatz Parties. For all other packages we find the parties run much smoother without lots of grown ups hanging around as children can get stuck in without distraction! The party organiser will need to provide a minimum of 2 adults to be responsible for the children.

4. Are your party hosts DBS checked?

Yes! All our party hosts and assistants are DBS checked.

5. I need to cancel my party, can I get a refund?

Once you have paid your deposit we will secure the date for you however the deposit is non-refundable.

6. I can't see the right package for my requirements... can you do anything else?

Please get in touch for a bespoke quote or to discuss any options further as we are always happy to tailor a party if we can.
